rice, no sales; receipts 33 sacks. Mil-  
lers receipts 336. Clean rice sales  
Honduras 2,424 pockets 9@9 1-8. Re-  
ceipts 3,663.

**New Orleans Cotton.**  
New Orleans, April 16.—While the  
cotton market was firm during a  
good part of the session today and  
on the whole had an advancing  
tendency, there were periods of easi-  
ness, due to realizing operations  
from the long side, and at times  
prices were at a net decline. Last  
prices showed gains of 13 to 15  
points.

The continued favorable tone of  
peace news, the unfavorable features  
in the weekly crop accounts, the  
rain on the weather map and pros-  
pects of colder weather, and the re-  
ports of continued firmness of cot-  
ton goods with more business doing  
were features which supported val-  
ues. The weekly reports from the  
belt were at first regarded as hard-  
ly being as unfavorable as expected  
but closer study caused the trade to  
draw the conclusion that they were  
unsatisfactory.

On the opening, the more distant  
months were up but after the call,  
the market fell off. A general de-  
mand developed after the middle of  
the morning and the market firmed  
up rapidly. Spots were quoted 38  
points higher at 27.13 for middling.

Cotton closed: Old firm two points  
down to 28 up net and new steady and  
firm at an advance of 13 to 15.

**New York Cotton.**  
New York, April 16.—Early reac-  
tions were followed by advances which  
established new high records for some  
of the new style deliveries in the  
cotton market today but prices eased  
off again in the late trading with  
the close steady net 12 points lower  
to 3 points higher. Old style months  
opened unchanged to seven points  
higher and closed net 17 points low-  
er to eight points higher.

The opening was steady at a de-  
cline of five points to an advance of  
six points on the new style months.  
An unfavorable weather map and  
very bullish reports from the goods  
trade appeared to be offset at the  
start by disappointing cables, south-  
ern selling and a disposition to take  
profits on long contracts or to sell  
for a reaction in advance of the ap-  
proaching three day adjournment.  
There was trade buying on a scale  
down, however, the weekly report of  
the weather bureau was less favor-  
able than expected and as prices stead-  
ed recent sellers for a reaction turned  
to cover.

The advance was stimulated by  
the continued favorable political  
news from abroad and reports of a  
better spot demand from both north-  
ern and southern spinners were also  
circulating during the middle of the  
day when July sold up to 25.66, or in-  
to new high ground for the movement.  
Realizing for over the holidays  
checked the upward movement. All  
three of the futures markets will be  
closed from tomorrow night until  
Monday morning and Liverpool will  
remain closed until Wednesday morn-  
ing.

Spot cotton quiet; middling 28.30.  
Cotton closed steady.

**Corn and Provisions.**  
Chicago, April 16.—Corn averaged  
lower in price today owing to chan-  
ces of a harbor tie-up at New York  
and clearing weather throughout the  
corn belt. Prices closed nervous,  
varying from 3-4c off to 1-8c ad-  
vance with May 1.58 1-4 to 1.58 3-8  
and July 1.51 to 1.52. Oats finished  
unchanged to 3-8c down and provi-  
sions at a decline of 20 to 70 cents.

Weakness in the corn market was  
the most evident right at the outset.

Bears took prompt advantage then of  
the serious conditions facing shippers  
as a result of the general strike of  
New York marine workers looked for  
tomorrow.

Seeding delays prevented any im-  
portant sag in the oats market.  
Provisions like corn reflected un-  
certainty connected with New York  
harbor troubles.

**St. Louis Livestock.**  
St. Louis, April 16.—Hogs receipts  
17,500; 10c higher; lights 20.15@

ling steers and heifers 9.50@16.00;

19.50@20.00; ewes 13.00@14.50; can-  
ners 4.50@11.00.

**New York Sugar.**  
New York, April 16.—There was  
no change in the local raw sugar mar-  
ket which is quoted at 7.28 for cen-  
trifugal to the refiner. The board re-  
ported purchases of 241,000 bags of  
Cuba and 39,000 Porto Rican.

Refined business of late has been a  
little more active. The domestic  
demand has showed signs of improve-  
ment and it was reported that con-  
siderable sugar had been loaded for  
export. The threatened labor difficul-  
ties, however, may again interfere  
with the export business. Prices are  
unchanged at nine cents for fine  
granulated.

**GUARD THE CHILDREN'S  
HEALTH.**

Mrs. E. E. Box 26, Bennett, Wis.,  
writes: "We have always used Foley's  
Honey and Tar for colds and find it  
great. The children all run for it  
when they see the bottle and ask for  
more." Contains no opiates, safe and  
harmless, but gives prompt relief to  
coughs, colds, croup and whooping  
cough. Mann's Pharmacy. Adv.

**GOVERNOR SIGNS  
WOMAN'S BILL**

Sacramento, Cal., April 15.—The  
first woman's bill ever signed by a  
Governor of California was approved  
today by Governor William D. Steph-  
ens, when he placed his signature up-  
on a measure by assemblywoman  
Saylor to place a sister on an equal  
plane with a brother in the adminis-  
tration of estates.
